

Job fair at LMC-Bertrand

NILES — Lake Michigan College will host a job fair 2-7 p.m. Tuesday at its Bertrand Crossing Campus, 1905 Foundation Drive, Niles, near the junction of U.S. 12 and U.S. 31.

Employers will be on hand to accept resumes, answer questions, and conduct on-site interviews. The event is free and open to the public.

Bertrand Crossing Campus Executive Dean Barbara Craig said the event was purposely timed for the end of the school year, just after graduation.

“We wanted to provide this opportunity to our students and others in the community to connect personally with some of our terrific lo-

cal businesses,” she said.

Companies scheduled to staff booths at the event include Honor Credit Union, Memorial Homecare, the Army National Guard, Kinexus, Stanley Steemer, Siena Heights University, Koops Inc., Comfort Keepers, First Source Bank, On Staff USA, Private Duty Home Healthcare and more. The companies represent the Niles/south Berrien County, South Bend, and north Berrien County markets.

Employers wishing to register for the event should contact Todd Gaugler at 927-2413 or tgaugler@lake-michigancollege.edu. Job seekers do not need to register.
