

**Support the Lake Michigan College
31st Annual Holiday Food Basket Drive**

What's your donation worth per family?

- \$10 buys 5 pounds of canned food and bread
- \$20 buys canned food, cereal, sugar, and potatoes
- \$30 provides a food basket for one family

On December 9, the Lake Michigan College family will continue the tradition of providing baskets to 100 families in need, within our region. Please consider making a cash contribution to the Holiday Food Basket.

Your tax-deductible gift, no matter how small or large, will help many individuals in our community.

If you have any questions about the Holiday Food Basket, or would like to help in any other way, contact Kathy Burnett at ext. 6105.

Thank you for your consideration.
